this unique reference shows how the united states has intervened militarily politically and economically in central america south america and the caribbean from the early 19th century to the present day what do baseball american war crimes and a slice of watermelon have in common in the annals of latin american history believe it or not this disparate grouping reflects the cultural and historical remnants of america s military and political involvement in the region as early as 1811 the united states began intervening in the affairs of central america south america and the caribbean and it hasn't stopped since this compelling reference analyzes both the major interventions and minor conflicts stemming from our nation s military operations in these areas and examines the people places legislation and strategies that contributed to these events in addition to documented facts and figures the alphabetically organized entries in encyclopedia of u s military interventions in latin america present fascinating anecdotes on the subject including why the united states once invaded panama over a slice of

watermelon how an intervention in nicaragua landed our country on trial for war crimes and how the popularity of baseball in latin america is a direct result of american influence primary source documents and visual aids accompany the content

as castro s democratic reform movement veered off course a revolution that seemed to signal the death knell of dictatorship in latin america brought about its tragic opposite jonathan c brown examines in forensic detail how the turmoil that rocked a small caribbean nation in the 1950s became one of the century s most transformative events

the united states has often acted as an empire in latin america nevertheless there has been an obvious dissimilarity between u s actions in south america and u s actions in the rest of latin america which is illustrated by the fact that the united states never sent troops to invade a south american country while geographic distance and strategic considerations may have played a role they provide at best incomplete explanations for the u s s relative absence south of panama the fact that the united states has had a distinct pattern of interactions with south america is thus not captured by the typical concept of latin america in brazil the united states and the south american subsystem regional politics and the absent empire carlos gustavo poggio teixeira recuperates the virtually neglected literature on regional subsystems in so doing teixeira maintains that researchers of inter american relations would greatly benefit from a characterization reflecting actual regional realities more than entrenched preconceptions such a characterization involves subdividing the western hemisphere in two regional subsystems north and south america this subdivision allows for uncovering regional dynamics that can help explain the u s s limited interference in south american affairs compared to the rest of latin america this book argues that the role of brazil as a status quo regional power in south america is the key to understanding this phenomenon through a historical analysis focusing on specific cases spanning three centuries this research demonstrates that brazil regardless of particular domestic settings has deliberately affected the calculations of costs and benefits of a more significant us involvement in south america while in the past brazil has taken actions that resulted in increasing the benefits of the u s s limited involvement in south america in more recent times it has sought to increase the costs of a more significant u s presence teixeira then considers some of the theoretical and political implications of the framework laid out by this research brazil the united states and the south american subsystem is a groundbreaking investigation of u s latin american relations and the politics of imperialism

em tempos de silêncio imposto a arte falou mais alto este livro mergulha na força da tropicália como movimento cultural que ousou cantar gritar e resistir em plena ditadura militar brasileira a partir de uma análise densa e sensível júlia de paula faria costura direito arte e cultura para revelar como canções imagens e performances foram muito mais do que expressão foram afirmação de direitos humanos em meio à repressão com um olhar crítico embasado em foucault e agamben a obra investiga o papel da arte como instrumento de resistência à necropolítica e de reconstrução do imaginário democrático uma leitura essencial para quem acredita que criar é também um modo de lutar

this book is a study of the semantics and usages of the concept of latin america in the united states both in everyday language and in social scientific discourses its guiding hypothesis is that latin america has been historically defined in american english in opposition to a self congratulatory image of the united states of america this constitutes in itself an act of misrecognition because it overlooks the ways those perceived as latin americans actually live their lives as political and social beings as a result of this practice latin americans have historically been ascribed the most contemptible characteristics and been treated in ways that suit the derogatory representations made of them the book also contains an original contribution to the debate about recognition leaning on reinhart koselleck s notion of asymmetrical counterconcepts feres jr devises an original typology of forms of misrecognition and applies it to the analysis of discourses on latin america this approach to the problem of recognition has many advantages in relation to the competing neo hegelian theory advocated by authors such as axel honneth and charles taylor it can be used as a tool to resist misrecognition without having to rely on a positive substantive conception of recognition furthermore contrary to the neo hegelian approach it is able to address practices of misrecognition that have as an object people who are not part of the national linguistic political community the book s narrative follows a chronological order in which discourses and theories about latin america are placed in their historical context and examined in search of rhetorical strategies that perpetuate forms of misrecognition in the end feres jr demonstrates that long standing north american pejorative perceptions about the peoples and countries seen as latin american found abundantly in everyday language survive in social scientific discourse despite the reiterated claims of objectivity and value neutrality of the social sciences

contains records describing books book chapters articles and conference papers published in the field of latin american studies coverage includes relevant books as well as over 800 social science and 550 humanities journals and volumes of conference proceedings most records include abstracts with evaluations
