you re either a purple cow or you re not you re either remarkable or invisible make your choice what do apple starbucks dyson and pret a manger have in common how do they achieve spectacular growth leaving behind former tried and true brands to gasp their last the old checklist of p s used by marketers pricing promotion publicity aren t working anymore the golden age of advertising is over it s time to add a new p the purple cow purple cow describes something phenomenal something counterintuitive and exciting and flat out unbelievable in his new bestseller seth godin urges you to put a purple cow into everything you build and everything you do to create something truly noticeable it s a manifesto for anyone who wants to help create products and services that are worth marketing in the first place if you enjoyed reading this check out seth godin s business classic this is marketing

as one of today s most influential business thinkers seth godin helps his army of fans stay focused stay connected and stay dissatisfied with the status quo the ordinary the boring his books blog posts magazine articles and speeches have inspired countless entrepreneurs marketing people innovators and managers around the world now for the first time godin has collected the most provocative short pieces from his pioneering blog ranked 70 by feedster out of millions published in worldwide readership this book also includes his most popular columns from fast company magazine and several of the short e books he has written in the last few years a sample bon jovi and the pirates christmas card spam clinging to your job title how much would you pay to be on oprah s show the persistence of really bad ideas the seduction of good enough what happens when it s all on tape would you buy life insurance at a rock concert small is the new big is a huge bowl of inspiration that you can gobble in one sitting or dip into at any time as godin writes in his introduction i guarantee that you ll find some ideas that don t work for you but i m certain that you re smart enough to see the stuff you ve always wanted to do buried deep inside one of these riffs and i m betting that once inspired you ll actually make something happen

everything in our world from marketing to technology to distribution to the capital markets is moving at a faster pace than ever yet most companies view change as a threat and survival as the goal this book transforms all that it contains a simple yet revolutionary idea we can evolve our companies the same way nature evolves a species evolution is a fundamental force of nature and seth godin demonstrates how it can be put to work in any organisation the first step is to eliminate the anti change reflex that s genetically coded into all of us once a company learns to zoom to change without panicking it is much more likely to evolve and a company that evolves can become ever more profitable for the last five years bestselling author seth godin has repeatedly demonstrated the power of his books by living their advice he used the tactics in permission marketing to drive the book up the bestseller list he followed the advice of unleashing the idea virus to turn his treatise into a living example of an ideavirus now as a committed zoomer he shows his legions of fans how to turn their company into one that can zoom from one change to another it s a formula for success whether the market is up or down whether technology is hot or not in all industries from retail to tech to services

world of warcrafters larpers settlers of catan weird believers swifties directioners weirder paleos vegans carb loaders ovolactovegetarians pretty weird mets fans yankees fans bears fans definitely weird face it we re all weird so why are companies still trying to build products for the masses why are we still acting like the masses even exist weird is the new normal and only companies that figure that out have any chance of survival this book shows you how

read free prize inside and learn how to create something incredible that your customers won t be able to resist make something happen remember when cereal boxes came with a free prize inside

you already liked the cereal but once you saw that there was a free prize inside something small yet precious it became irresistible in his new book seth godin shows how you can make your customers feel that way again here's a step by step way to get your organization to do something remarkable quickly cheaply and reliably you don't need an mba or a huge budget all you need is a strategy for finding great ideas and convincing others to help you make them happen free prize inside is jammed with practical ideas you can use right now to make something happen no matter what kind of company you work for because everything we do is marketing even if you're not in the marketing department

according to godin tribes are groups of people aligned around an idea connected to a leader and to each other tribes make our world work and always have the new opportunity is that it's easier than ever to find organize and lead a tribe he has enabled an explosion of all kinds of tribes and created shortage of people to lead them this is the growth industry of our time tribes the book will help you understand exactly what's at stake and why you can and should lead a tribe of your own

humans aren't a resource to be bought used and discarded they are the point of the workplace the life essence of innovation growth and success from the bestselling author of purple cow and this is marketing comes an urgent manifesto for leaders facing unprecedented challenges in a rapidly changing workplace the workplace has undergone a massive shift remote work and economic instability have depressed innovation and left us disconnected and disengaged paychecks no longer buy loyalty happiness and effort quiet quitting runs rampant and people show up without truly showing up alarmed managers are doubling down on keystroke surveillance productivity tracking and back to the office mandates when what they should be doing is the opposite affording employees the dignity necessary to inject purpose and motivation into their work in the song of significance legendary author and business thinker seth godin posits a new view of what industry leaders must do now if you want your employees to live up to their full professional potential you must give them the respect and autonomy they deserve as humans the choice is simple either keep treating your people as disposable and join in the ai fueled race to the bottom or build a significant organization that enrolls empowers and trusts employees to deliver their best work no matter where they're working

the indispensable classic on marketing by the bestselling author of tribes and purple cow legendary business writer seth godin has three essential questions for every marketer what's your story will the people who need to hear this story believe it is it true all marketers tell stories and if they do it right we believe them we believe that wine tastes better in a 20 glass than a 1 glass we believe that an 80 000 porsche is vastly superior to a 36 000 volkswagen that's virtually the same car we believe that 225 sneakers make our feet feel better and look cooler than a 25 brand and believing it makes it true as seth godin has taught hundreds of thousands of marketers and students around the world great marketers don't talk about features or even benefits instead they tell a story a story we want to believe whether it's factual or not in a world where most people have an infinite number of choices and no time to make them every organization is a marketer and all marketing is about telling stories marketers succeed when they tell us a story that fits our worldview a story that we intuitively embrace and then share with our friends think of the dyson vacuum cleaner or fiji water or the ipod but beware if your stories are inauthentic you cross the line from fib to fraud marketers fail when they are selfish and scurrilous when they abuse the tools of their trade and make the world worse that's a lesson learned the hard way by telemarketers cigarette companies and sleazy politicians but for the rest of us it's time to embrace the power of the story as godin writes stories make it easier to understand the world stories are the only way we know to spread an idea marketers didn't invent storytelling they just perfected it

our summary is short simple and pragmatic it allows you to have the essential ideas of a big book in less than 30 minutes by reading this summary you will discover how to become an expert marketer in the art of storytelling you will be able to get consumers to buy into the spirit of your business you will discover that since its origins human beings have been telling stories to each other storytelling is an integral part of who they are and how they understand things you will also learn that everyone can learn to tell stories everyone develops their own story in order to make it more audible the important thing is what consumers want to believe this book is about marketing today far from the era of advertising storytelling is for a brand or a company the key

to success to successfully influence a consumer stories must be told the targeted people must live the story believe it and adopt it in order to transmit it in turn stories are everywhere they are a real power tool for marketers value creators and they have the power to change the world seth godin presents nine tips illustrated with examples to succeed in this particular art he advocates that the story be true that it convey promise that it be reliable subtle and captivating it should also appeal to the senses more than to reason while being coherent it should target consumers who share a common interest in the product buy now the summary of this book for the modest price of a cup of coffee
